ORNAMENTS

OTHER UNIQUE ELEMENTS

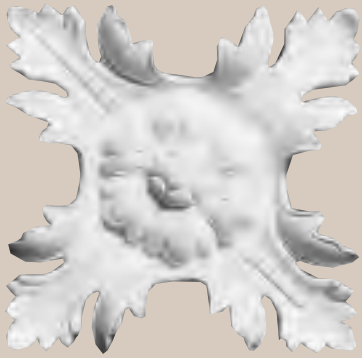

**ROSETTE / PATERA:**

*a small, flat circular or oval ornament in classical architecture, often decorated with acanthus leaves or rose petals.*

## ROSETTE / PATERA

Rosettes may be used to cap the opening in panel divisions on ceilings. Also included in these sections are tile rosettes, which may be used in a similar fashion. Rosettes are useful in finishing plain corner blocks on casings, or in ornamenting
