# NEW PRODUCT DESIGNS, SPECIFICATION SHEETS AND CAD FILES

## New Product Designs

New designs are created on regular basis, the best way to present them is through our product catalogue which gets updated on a quarterly basis.

This is an ongoing project and will include old and new items presented with a 3D image to give you and your client, a clearer picture than what is currently seen in the brochures.

Many Architects and Designers may find this useful and alleviate the need for physical samples. If a physical sample is needed we would be happy to accommodate, give us a call at 1-866-745-5560 or email us at [info@classicmouldings.com](mailto:info@classicmouldings.com).

Please note: there may be a cost associated with the production and/or delivery of samples.

## CAD Files

All items in this product catalogue have a CAD file available for approved clients. If you would like to request a CAD file call us at 1-866-745-5560 or e-mail us at [e-spec@classicmouldings.com](mailto:e-spec@classicmouldings.com). At this time CAD files are not available directly from our website.

## Custom Design

If you cannot find a suitable design or size, in either our brochures or product catalogues, please contact us directly. We would be happy to custom manufacture a part that meet your specific needs.
